THANKS
FROM THE
CLASS OF
1981

We dedicate the 1981 Genesean to Mr. Cost and Mrs. Marcoux as a way of expressing our gratitude for their continuous help and constant presence throughout our high school years.

Mr Cost has devoted many valuable hours to the growth and maturity of our class. He has advised many extra curricular activities including. Sophomore Class, Junior Class, Yearbook, Student Council and Lacrosse Coach.

When we discovered ourselves facing the dilemma of finding a Senior Class Advisor, Mrs. Marcoux came to the rescue and volunteered to undertake the arduous task. The numerous activities which she has advised have proved very beneficial to the Class of 1981.

Both Mr. Cost and Mrs. Marcoux have set a high personal standard for the class of 1981, and we can never thank them enough for all they have done.

FINE ARTS

# ODE TO THE WEST GENESEE WILDCAT MARCH.NG BAND — 1980

Looking toward the Florida sun, we're the Wildcats, Number One
Thank you for inviting us here, hope you like our show this year
Came by plane, by car, by bus, we're gonna take that trophy home with us
in '76 we won first prize, with tears of triumph in our eyes
Our spirits high, our honor true, we wore our colors gold and blue
Our uniforms are new this year, our music fine and oh, so clear
The staff is tough, and a little mean; our lines are straight, our show is clean
They work so hard all day and night, they'll keep us here till we do it right
Pine Grove has been the place to meet, with aching muscles and sore feet
Practice, practice, please no more, our tails are dragging to the floor

A chicken dinner one hot day and auction got us on our way
Sold groves of fruit, had a garage sale, got stacks of tickets in the mail
Smoker, dance, spaghetti dinner, buy a raffle and be a winner
All worked hard so we could go, even had a TV show
Dollars rolled in by the score, only need ten thousand more
It was work and it was fun, we did things that couldn't be done

We march on the field in a straight line, every footstep keeping time
Helmets white, all in a row, batons twirling set to go
Now hear the drum, hear the flute, our guys are handsome, our gals are cute
Banners, trombones, trumpets, too; so strong, so proud of what we do
A turban here, a black cape there, rifles tossed high in the air
The crowd is cheering and waving hats, hear them yelling "GO WILDCATS"

E

Listen to the roar of the crowd, we know they love us and feel so proud. Think by now you've heard enough, in 1980 just watch our stuff. Our show is great and what a score, we'll take that trophy home once more. So look out Florida here we come. We're the Wildcats Number One.

MRS. SHIRLEY PALMER Wildcats Band Parent

# "THE TWELVE DAYS OF CHRISTMAS"

On the last day before Christmas vacation, the faculty performed their rendition of "The Twelve Days of Christmas." Organized by a staff committee headed by Mrs. Tippett, the assembly involved set and props made by Mr. Taylor's and Mrs. Armstrong's art students, and accompaniment by the school chorus. Members from all departments participated in comical depictions of each of the "twelve days." At the end, the auditorium joined together and sang Christmas carols

SQ. 122 E. GENESEE ST. SYRACUSE, N.Y. 13202 This book is an attempt to capture and represent the past year we have spent here at West General West we see West the 1980-1981 Genesean staff are all diversified in our feelings, actions, styles, and was yet, through these differences we have produced what we see is a yearbook which the class of '81 will be proud of.

This is a special time of the year for all the graduating seniors. We can back on the part three years and realize how very important and unique each year has been. We trink of this annot an end, but leaving West Genesee is only a beginning.

We wish to all juck and success in everything you do, and we hope we have captured for you a portion of the times spent at West Genesee.
